Reconstructed UK postcode boundaries. Shapefile polygons defining the boundaries of UK postcode areas, districts and sectors are available here for download, for use in our open source territory design software or other applications. These boundary polygons are reconstructed from the live postcodes in the UK and are therefore approximate, but are expected to be accurate enough for most ...

Reconstructed UK postcode boundaries - Open Door Logistics

Urban development creates a need for more postcodes, and sometimes the supply runs low. To allow for future growth, Royal Mail re-codes areas every so often. For example, it might rename all or part of the RG1 area to RG 10. Postcodes have a hierarchy of areas, districts sectors, and units - the lowest level.
