In the chapter 'The art of perceiving movement' Bohm talks about the split in our language between our emotional and aesthetic perception on the one hand, and our rational and functional perception on the other. A very good case in point is provided by considering the word art. The original meaning of this word is 'to fit'.

The Art of Language - mindstructures.com

This is why art serves so superbly as a universal language — as a means toward understanding the history, culture, and values of other peoples. As human beings build virtual bridges into unknown cultural territory — and there learn, share dreams, and creatively work together—mankind will know itself as citizens of a rich and truly global society. And if citizens of a global society are to live in peace, goods, services, and technical information are exchanged, but values and visions ...

Art Is a Universal Language | HuffPost

The goal of "art" is to communicate an idea. Now add the word "language" to that concept. The goal of "language arts" is to be able to use a language proficiently in order to communicate an idea. That's it. Nothing scary or intimidating. Just learning how to communicate ideas through language.
