The Great War Through Keystone

Of those four, Keystone was the largest and in business the longest time. It produced over 800 war stereographs, most a part of one or more of the seven principle war sets. The Great War Through Keystone Stereographs describes these sets from the first one in 1915 to the last one in 1932. It includes photos of over 120 stereoviews and complete title lists for each set.

The Great War Through Keystone Stereographs

This is a collector's guide to Keystone stereo views of World War I--namely lists and information on the views available. If you actively collect this genre, this is a great guide. But if you're looking for a book of photographs (stereo or mono) of the Great War--forget it, you'll be (like me) very disappointed.

In 1932, the 300 card set was dropped in favor of a 400 card set. The significance of the 1923 set is the result of Keystone hiring Great War veteran Major Joseph Mills Hanson to edit the Keystone stereographs into a comprehensive story of the war and its aftermath, to improve flow and quality, and to enhance the 3D stereoscopic effect for viewing.
